The information session was opened by the project director, Dr. Alexandru Nistor, who presented the general information about this acquisition and about the project of which it is part.

Reference was made to the foreseen timetable, main documents to be delivered in the bidding phase as well as the main selection criteria, validity of the offers, opening of the tender offer etc. providing all necessary details.

Tenderers were advised to send on official email before deadline for requesting any additional information from the Contracting Authority if the necessary.

The official answers to any new questions and/or those raised during the meeting will be published by the Contracting Authority as specified in the Instructions to Tenderers.

All participants in the clarifications meeting then participated in visiting the site.

The project manager provided answers to all participants' questions about the work to be performed and the changes to the current objective.

Project manager,

Dr. Alexandru Nistor
